

DISPLAY SOLUTIONS, Inc.

UNIQUE SOLUTIONS FOR UNIQUE PROBLEMS

Display Solutions, Inc in Hudson, MA announced today that Scott Miles has joined its staff as Director of Field Operations. Scott joined Display Solutions to manage the company's growing visual systems installations, upgrades, service, maintenance and training business at customer sites. Scott is an experienced Project and Product Manager and brings 20 yrs experience in the commercial Hi-Tech market. Prior to joining Display Solutions, Scott held positions in engineering, product management and customer liaison roles for Netcomm, Tech Labs, Molex, ModTap and Bell Labs.

In addition to our primary business designing and installing high-end visual systems for simulators and trainers, Display Solutions provides annual maintenance and service contracts for many of our customers. Recently contracts with NAWCAD (Pax River Naval Air Station) and Lockheed Martin Corporation, for support of previously installed flight simulators, were awarded to Display Solutions.

About Display Solutions, Inc.

Display Solutions, Inc is a privately owned small business with less than 100 employees, incorporated in the state of Massachusetts. We provide products and services to clients using state of the art multimedia video display technology for information display, education, entertainment and training. We serve customers worldwide in business, education, government, military, churches/synagogues, theaters, simulation and training. Our client list includes many of the principal end users and system integrators in the simulation & training industry. Further information about Display Solutions can be obtained at www.displaysolution.com and from Dunn & Bradstreet under DUNS 112189076.
